Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

-Your report discloses a contribution refund from a political committee totaling -\$5,000.00 on Schedule B supporting Line 28(c) of the Detailed Summary Page. If the check written by your committee was cashed you should itemize the contribution refund on Schedule A supporting Line 16 of the Detailed Summary Page. If the check written by your committee was not cashed, you should itemize the voided check on Schedule B supporting Line 23 as a negative entry. Please be advised that voids of contributions made should be properly disclosed as negative entries on the original line of disbursement. This method of reporting would clarify for the public record the total amount of disbursement and more accurately disclose the cash-on-hand amount. Please note that Line 28(c) is used to disclose refunds of contributions made to your Committee. Please amend your report to properly disclose this activity or provide clarifying information.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to

taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1177.

Sincerely,
